HAIR TREATMENTS

To maintain beautiful and luscious hair, regular hair treatments are recommended. We're more than happy to suggest a treatment plan after an initial assessment.

All our treatments are complimented with our special Ozone mist which enhances the penetration into your hair, increasing the effectiveness.

Kerastase Treatment \$35

Our in-salon treatment from kerastase Paris, clinically tailored to suit your hair condition and needs.

Japanese Mucota 6-step Hair Treatment

from \$100

Our highly recommended solution to fragile and damaged hair, this is a luxurious and high quality 6-step hair treatment from Japan.

Ola Plex Treatment 3-step from \$80

Keratin Treatment from \$250

Fortified with Juvexin and developed specifically to protect and restore hair to its youthful state, penetrates the hair shaft and delivers important conditioning and moisturising benefits.

Helps hair to better withstand heat and improves manageability of hair by making hair less prone to breakage.

SCALP TREATMENTS

Green therapy single session from \$60

10 sessions package from \$500

Our special anti-hair and hair thickening scalp massage therapy, by deep cleansing the scalp and removing excessive dirt and dead skin-cells, controlling sebum and keeping it healthy using specialised products that nourish the root.
